

Baran Sabuncuoglu

SENIOR FLAME ARTIST — ONLINE FINISHING & VFX

Brentford, London TW8 0AT | +44 7437 520333 | baransabuncuoglu@gmail.com |
linkedin.com/in/baransabuncuoglu | Showreel: momentvfx.co.uk

PROFILE

Senior Flame Artist with two decades in high-end post-production, including nine years delivering commercial, broadcast and SVOD finishing across the UK since relocating to London in 2017. Track record spans Netflix, BBC, Amazon Prime and Disney+ titles alongside brand campaigns for MINI, Coca-Cola, McLaren and Estée Lauder, working freelance through leading agencies and post houses including Girl&Bear (VCCP) and The Flying Colour Company. Combines deep technical command of Flame and Nuke with a calm, deadline-driven approach to complex clean-up, keying, matte painting and set-extension work.

CORE SKILLS

Flame & Compositing: Autodesk Flame, Nuke, 3D/2D compositing, keying, rotoscoping & paint, wire removal, match-move/tracking, matte painting, set extension, digital beauty & clean-up, motion graphics

Finishing & Delivery: Online editing & finishing, conforming, broadcast delivery specs, multi-platform/SVOD exports, QC, versioning

Supervision & Pipeline: On-set VFX supervision, shot tracking, timeline management, client-facing project scoping, cross-team collaboration

Platforms & Tools: Linux, macOS, Windows (local & remote grading/editing environments); Adobe Creative Suite, Blender, PFTrack, Synthetics, ComfyUI, Stable Diffusion
